

# Heathy Farm

Balcombe Road, Crawley, Sussex, RH10 3NQ. 01293 886879

*The Heathy Farm is a 500 year old farmhouse, still with its original low beams and fireplace. There were several reported incidences of enemy planes being shot down and prisoners captured in the farm grounds during World War II. The last family to own the property were the Capels, the husband being a high ranking Colonel in the army and Mrs Capel being an heir to the Pears soap fortunes. The property was lived in by the now widowed Mrs Capel and her servants until the 1970's after which the building was sympathetically restored and extended as it can be found today.*
