## STEAK & CHIPS FROM BEEFEE

*Every steak we serve is special. Why? Because we source all of our meat from farms we trust to deliver the best quality. We employ master butchers to hand-cut each steak and expertly age them for a minimum of 21 days. We even train all our chefs in our very own steak academy to perfect the grill of every cut we serve.*

That's why each steak that leaves our kitchen is nothing short of mouth-wateringly marbelous.

All our steaks are served with half a grilled tomato, grilled mushroom, lamb's lettuce and unlimited triple cooked chips

If you'd like a small complimentary side salad just ask, or for a lighter meal option ask our server to swap your chips for salad
